HELP US RAISE MONEY FOR THE CHILDREN'S TRUST THIS NATIONAL DOUGHNUT WEEK!

FOR EVERY DOUGHNUT YOU BUY WE WILL DONATE...

PENCE

TO THE CHILDREN'S TRUST, THE UK'S LEADING CHARITY FOR CHILDREN WITH BRAIN INJURY

In 2020, Mikail was travelling in the family car with his dad when they were hit by a lorry. Following surgery, Mikail had survived and was stable, but he could no longer walk. He came to The Children's Trust for specialist rehabilitation. Here, Mikail's parents were able to stay with him, and he could enjoy music and play sessions as part of his rehabilitation – and he learnt to walk again.

Mikail's mum says "Being at Tadworth, in that environment, helped us recognise that this is a starting point, another chapter in Mikail's journey. It provides families with a different perspective, and we all learnt transferable skills that we could bring home to help with his continued progress. The fact that The Children's Trust continued to provide its services during the Covid-19 pandemic, when we needed it most, is just remarkable!"

WHAT WE COULD DO WITH YOUR DOUGH...

£57

buys a physio ball to help a child to balance and play

£15

funds fibre-optic lights for a multisensory room

£4

pays for a touch and feel sensory toy

£8

buys soft play cubes

£600

keeps our fleet of specialist vehicles on the road for one week

£200

funds a music system to help children have fun and give them added stimulation

pictured: Mikail

THANKS A MILLION!
